Matthew
I have really enjoyed going to school
and being with you. You have some qualities,
besides intelligence, that I can say truthfully
that very few other boys have. You have a
certain reserve about you that will never fail
to win friends for you. I can't think of anything
humorous to say about you right now because
I am trying to be sincere. Truthfully though,
Matthew, you have wit, intelligence, and reserve
an unbeatable combination.

Mathew,

Yea to the big bopper, a cool head. You've been one of my best friends in high school and out of school, knowing you had made school more enjoyable. I'll forgive you for causing me to get a traffic ticket, ha, ha, + please don't tell my parents. Save me a seat at the V in case I have bad luck elsewhere. Oh Matt you do better on the test without my help, but you will receive a bill for my aid on homework. I wish you had let me know when it was your birthday so that I could have at least been able to get you a card. Don't know if I could have afforded a present. I know that we'll meet again so don't "go home" or "get lost" as I've often said.

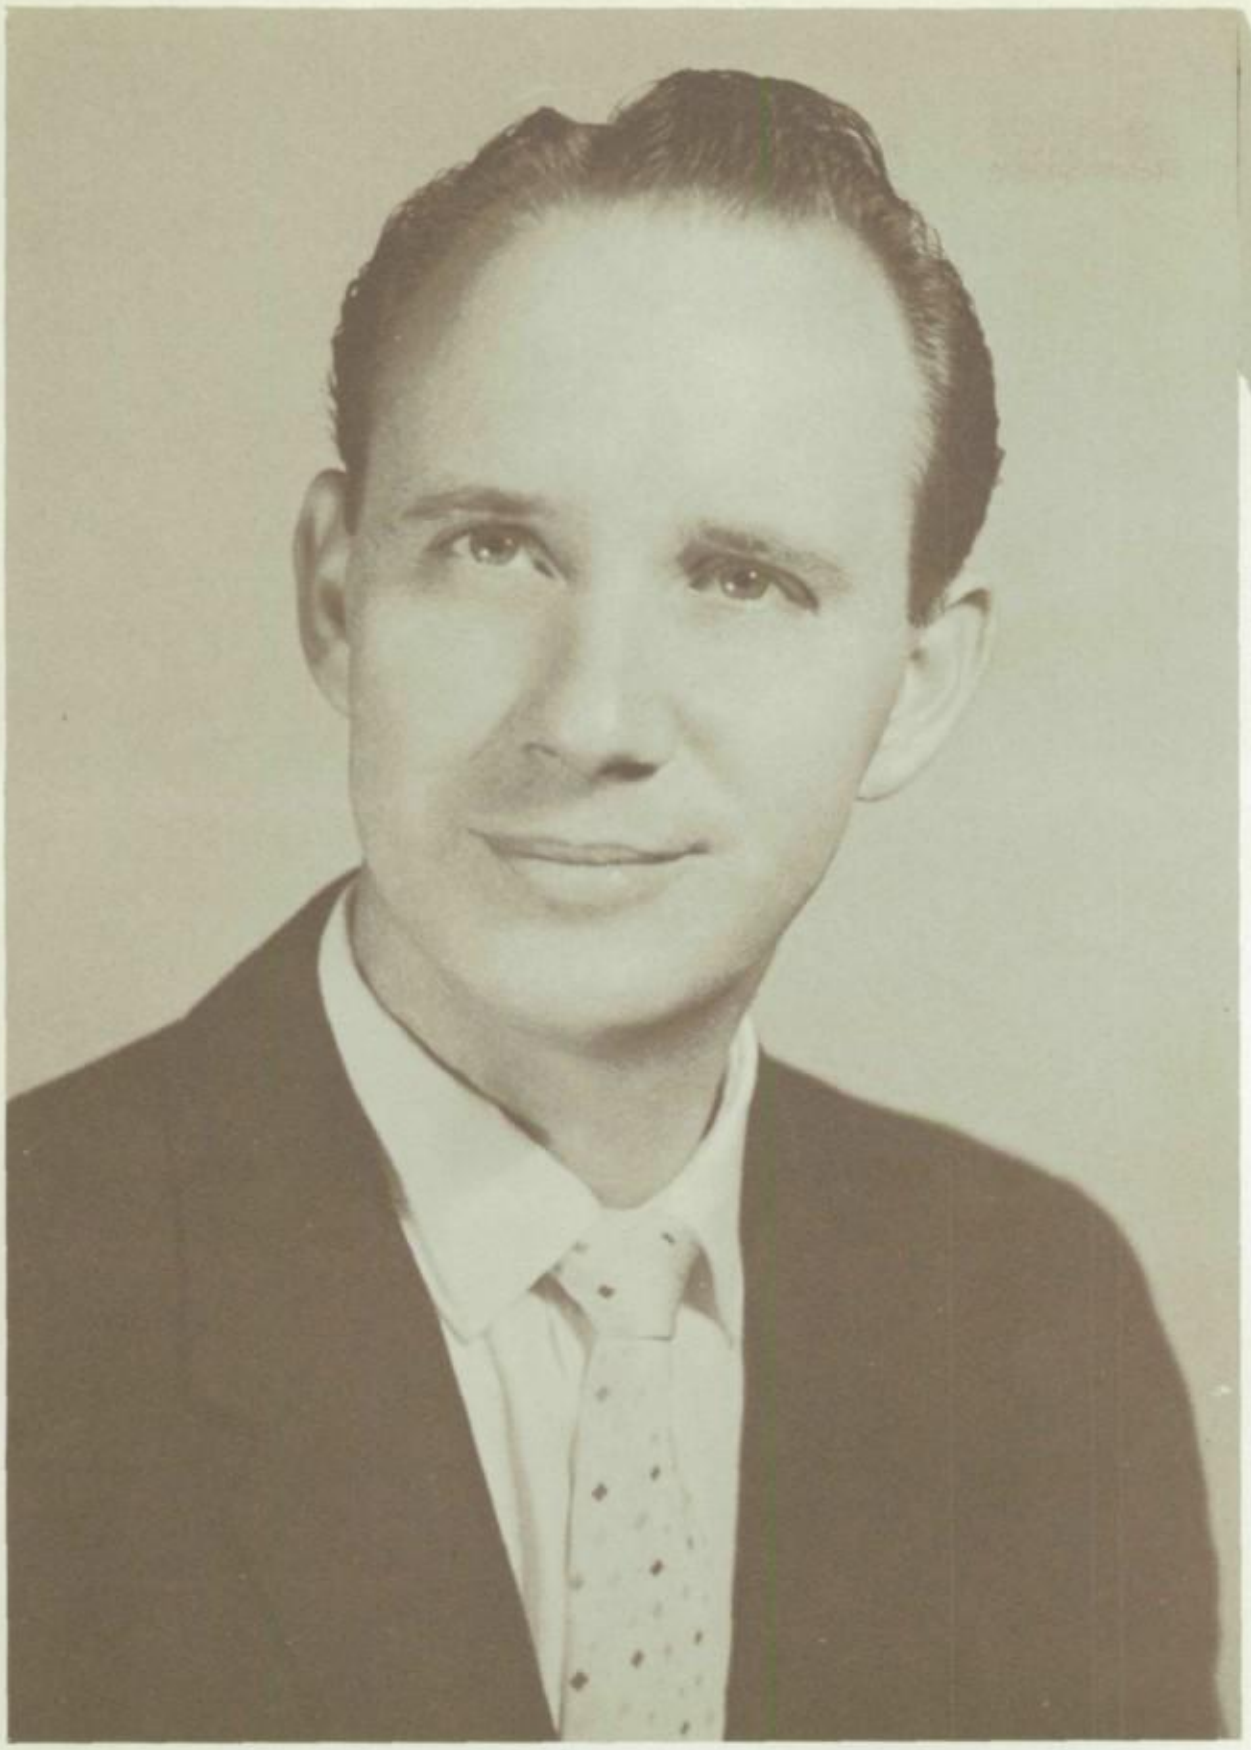
The student body and faculty of YUHS have the great privilege of having as a teacher Mr. William (Bill) Brennan.

Bill Brennan has been teaching in Yuma for six years and in that length of time has worked his way from English teacher to Head of the Drama Department.

The Drama Club and National Thespians, both sponsored by Mr. Brennan, have flourished since he began directing their projects and activities.

The El Saguaro Staff feels that the greatest honor they can bestow on anyone is the dedication of the annual; and so, we the annual staff humbly dedicate The 1960 El Saguaro to Mr. William Brennan.

Relaxing



DEDICATION

Bill Brennan has received an award for the Drama Club Play every year he has directed it.

Matthew,

We've had 4 years of fun and hard work. I tryed ~~tinpelled~~ to get the answers from you but I never did quite make it. I hope to see you at the U. this fall. Congratulations on winning the valedictorian (honor) I don't know how you did it. Rats of Ruck (BAD) the future.

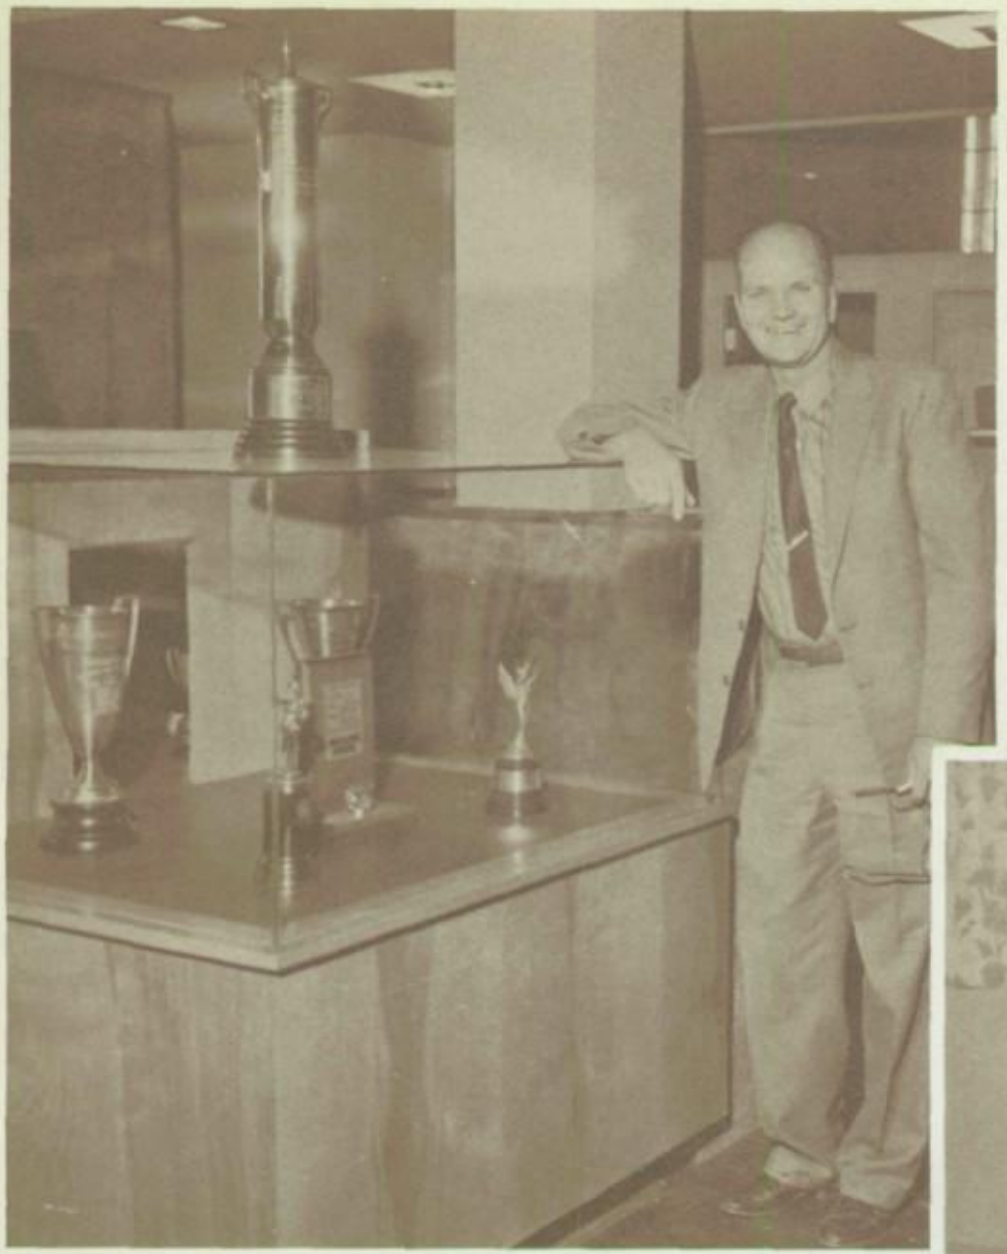
We proudly present the Yuma Union High School District Board of Education, a group of truly educated people who are charged by the electorate of this district with the responsibility of conducting school business and affairs.

We thank them one and all for their continued efforts on behalf of our school, the student body and school employees. To our out-going member, Mr. Horace Griffen, a special thank you for his tireless work on our behalf. To our newest member, Mr. Robert Consaul, congratulations for the confidence displayed in him by the voters of this area. To President S. R. Blake, a special salute for the leadership he has displayed in the conduct of the affairs of the Board.

Helene T. Bennett, Member

Patrick K. Hodges, Member

Robert W. Consaul, Member



On behalf of the Yuma Union High School District Board of Education, the administrators, teachers, and classified staff may I take this opportunity to congratulate the Class of 1960 on their successful completion of four years of study and activity and wish them well in whatever walk of life they choose to follow. May they prosper and reap the full reward of their efforts.

Our thanks also to the student body as a group for the marvelous cooperation and studious effort that has marked this past scholastic year, a year that will go down in the annals replete with progress and accomplishment.

May we all in years to come find pleasure in the perusal of these pages so full of happy memories of friends, places, and things.

NURSE—Mrs. Kettunen

Mrs. Kettunen, school nurse, has a job which keeps her busy through the day. When she isn't working in her office, she is helping in the registrar's office or telephoning to find out if an absent student is feeling better.

BOOKSTORE MANAGER—Mrs. Beeler

Thanks to Mrs. Beeler, the YUHS is supplied with the books, papers, pencils, and other articles needed by the students. We are lucky to have as responsible a person as our bookstore manager.

Mrs. Levins and Mrs. Coffeen, the registrar's secretaries, are two of the hardest worked people on campus. They help keep track of all the students at the high school.

REGISTRAR'S SECRETARIES

The mimeograph room is responsible for making up all the tests and bulletins. Mrs. Power is the one who takes the responsibility for these things.

Mrs. Powers—MIMEOGRAPH

MAIN OFFICE ASSISTANTS

A very responsible group are the women who assist the Administration in the main office. They are always cheerful and willing to help the students.

CAFETERIA STAFF

The cafeteria staff, headed by Mrs. Rose Lee has heard many compliments concerning the food they prepared and served this year to hungry students at YUHS.

The YUHS bus drivers are a group of the most indispensible people on campus. They not only drive students to and from school but are always willing to make their rounds in order that we may go to extra-curricular school activities.

BUS DRIVERS

Have you ever noticed how clean the school is? Thanks to our maintenance crew, YUHS is complimented as being one of the most extra-ordinarily well kept campuses in the state.

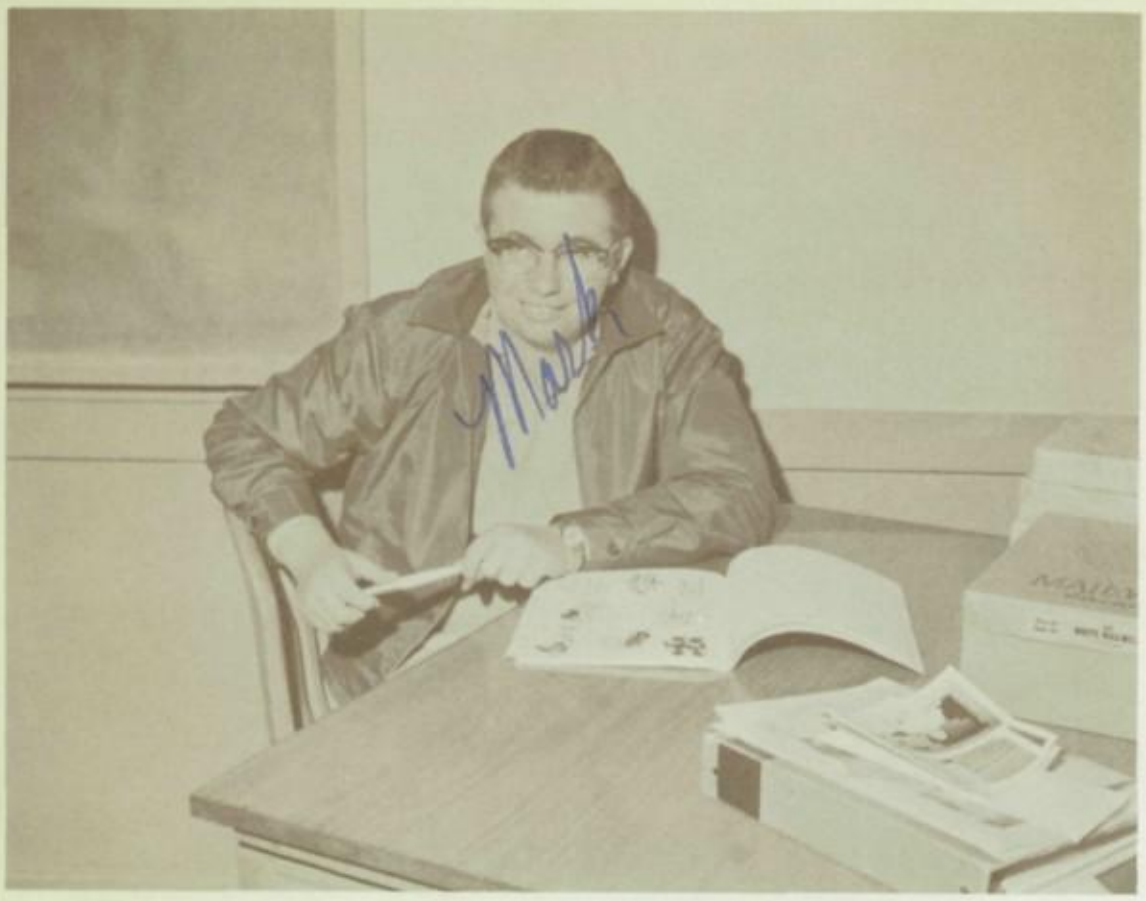
EL SAGUARO

The publication of an annual entails a great amount of work as those of the staff readily know. This activity took them from S-13 all around the campus searching for pictures and ideas for copy. With the deadline forever coming closer and closer, the pace became more hurried. But the deadline was met and now it was completed; the staff wiped its brow and gave a deep sigh of relief and maybe for the senior members of the staff, a little of regret that the year had ended and the "El Saguaro" for 1960 had been finished. We hope you enjoy it.



Mark Arnold, *Editor-in-Chief*

Assuming the responsibility of Editor is quite a task, but Mark has filled the job most commendably this past school year, resulting in a smoother road ahead for those appointed to this post in the future.

How many annuals did we sell? Joyce White, our business manager, was the one who could tell you, for she had the task of selling annuals and keeping track of the money.

Barbara Bess, Associate Editor, Jessica Reiss, Assistant Editor, and Betty Prather, Managing Editor, filled their respective positions to the utmost. They helped make this annual a success.

Sis Golden, typist; Linda Barnette, Advertising Manager; Shirley Spelce, Assistant Business Manager, undertook not only their own responsibilities but also seemed to find time to help the newer members of the staff with their layouts and copy.

The Senior members of the staff carried a great deal of the load in the publication of the annual. Their experience aided greatly in the final product. The Senior members were: Fran McCollum, Sharon Logan, Elizabeth Arriola, Bertha Arias, Ann Harrell, Judy Vaughn.

Three more competent members of the staff were Buddy Bogle, Wayne Shannon, and Victor Torres. They worked on art and photography for the annual.

The new members of the staff found the year a most informative and enjoyable one. They worked and learned about the publication of a yearbook. As the year draws to a close they look back on time well spent and well worthwhile and look forward to next year on the "El Saguaro" staff. They were: Pat Arnold, Alicia Mumford, Mary Chilton, Virginia Shipp, Darlene Ridenour, Evelyn Frauenfelder.

Twice a month our "Thermometer" was delivered to us, bringing news of the latest in sports, social events, platters, cars, and the "men" about campus. The "Thermometer" provides an opportunity for interested students to gain valuable journalistic experience. Under the editorship of Janet Malone and the capable advising of Mr. Tom Clarkin, the "Thermometer" staff is to be most heartily congratulated on a job well done.

THERMOMETER

"Him we could not do without," is a statement which expresses our feelings toward our faithful advisor, Mr. Tom Clarkin. He helped smooth over the rough places which appear sometimes in our journalistic efforts. He not only was advisor to the "Thermomenter" staff, but to the "El Saguaro" staff as well. We sincerely appreciate the constructive criticism and helpful guidance extended to us throughout the year, by Mr. Tom Clarkin, our faculty advisor.

Mr. Clarkin

SENIOR GIRLS' GLEE

Participating in the Christmas Program sponsored by Melody Club and in the "Fiesta in Song" held in March is the Senior Girls' Glee. After the semester, the membership increased considerably; therefore all of the members in Senior Girls' Glee are not pictured.

CHORALAIRS

maller group, the Choralairs by name. Due to its versatility, ampus. Choralairs performed at numerous functions in the Convention banquet.

Mr. Robert Frazier, director of the entire vocal department at YUHS for 1959-60, did a tremendous job in teaching the students the true meaning of music. His choirs have received praise from all who have heard them. Our sincerest compliments to Mr. Frazier for his outstanding work in the field of music.

FRESHMEN GIRLS' GLEE

Making their first appearance in the Christmas program sponsored by the YUHS Music Department marked the beginning of a peppy year for the Freshmen Girls' Glee. This group, which is not composed entirely of Freshmen girls, gave a special performance for the Yuma Kiwanis Club and also sang at the "Fiesta in Song" held in March. Under the capable direction of Mr. Robert Frazier, they were taught to love music by learning to sing well.

JUNIOR GIRLS' GLEE

Junior Girls' Glee, the majority of the members being Juniors and having two years experience in high school music, was a great asset to the YUHS music program this year. Other functions at which they performed were the "Fiesta in Song" and the Annual Banquet of the Salvation Army. During this past year, these girls received their musical appreciation from Mr. Robert Frazier.

MARCHING BAND

During marching season, the YUHS marching band concentrates on the techniques of marching well. They get frequent practice by toiling long, hot hours in order to learn routines for all the half-time games during football season, by marching in the Armistice Day Parade, and by taking part in the Rodeo Parade. At the semester this 95 piece band undergoes a change and takes on a new role. They then concentrate on both contemporary and standard musical literature. As Concert Band, they compete in the Musical Festival held in Tucson. The band is under the capable leadership of Mr. Eugene Shroyer, director, and Mr. Floyd Weil, assistant director.

STRING ORCHESTRA

String Orchestra, taught by Mr. Floyd Weil, is a class devoted entirely to preparing students in the field of musical training. A string quartet from this group competed in the music festival in Tucson.

CADET BAND

Because a majority of the cadet band members are now attending Kofa, the YUHS cadet band is comparably smaller this year. This band, which performed at Band Night, is trained to better understand the problems of the band and its music. They, too, are under the direction of Mr. Floyd Weil, a talented and capable newcomer to YUHS.

MODERN DANCEBAND

Modern Danceband, a modern music class designed for the sole purpose of providing vocational musical experience for both terminal and non-terminal students, has been most active this past school year under their new leader, Mr. Floyd Weil. While receiving background in the problems of danceband and music theory, they were given actual training by entertaining at all the school dances. Also, Modern Danceband competed in the music festival at Tucson and in the spring they took a trip to the recording studios in Los Angeles.

THE MELODY CLUB

PRESENTS

MELODY CLUB REVUE

The Melody Club, this year, presented, to the overwhelming approval of the Earth to gather material for an exclusive feature. There, really here, he forth is to be known as the Melody Club Revue. Unlike previous years, the entire presentation was written and produced by the members of the Melody Club. Keeping pace with the space age and the "beatnik" influence, the story portrayed a Martian "cub" reporter from the Mars Daily Planet, who visited the Earth to gather material for an exclusive feature. There, really here, he met Lola, a beatnik, who "showed him the scene." In the grand finale, a colorful wedding was held on Mars climaxing the return of What and his fiancee, Lola. Our congratulations are most heartily extended to those members of the Melody Club for their unusual and entertaining production.

THIS IS "OUR TOWN"

This year the Senior Class produced a most unusual play, "Our Town." A play in which the audience was introduced to pantomime and imaginary props which stimulated the imagination. The acts were entitled "Life," "Love," and "Death," showing the simplicity and yet the reality of life itself. Those who attended were delighted with the presentation; a play unlike any that has ever been previously shown on the stages of Yuma Union High School. Orchids to the class of 1960 for their production of "Our Town."

ACTING EDITION

Brenda - Constance

★ COMEDY IN TWO ACTS ★

DRAMATISTS
PLAY SERVICE
INC.

The Baron and the President were sitting quietly talking about business. The business being that of finding oil under the very cafe in which they were sitting. The President had a wonderful background for this type of business, for he had passed counterfeit notes, taken part in the narcotics business and other things making him president of eleven corporations, director of fifty-two companies, and other things too numerous to mention. But so much for the President.

It seems logical that business could be discussed in the nice atmosphere of a little cafe quite freely. But how can you discuss business when a street singer sings "La Belle Polonaise"; the flower girl asks if you'd like some violets; the ragpicker wants to know if you've dropped a hundred-franc note (as if all money found lying around wasn't yours); the Deaf Mute lets you know that it's a wonderful morning but would have been much nicer if he hadn't seen you. And if that isn't enough, the shoelace peddler wonders if you really don't need new shoestrings; the Street Juggler juggles according to the stock market prices, and the Madwoman of Chaillot comes in and asks for her bones and gizzard!! While all these interruptions and distractions have taken place you have rolled water under your tongue to taste the oil that supposedly is under the cafe. When you are finally settling down a little, in walks a policeman carrying your assistant. The policeman says he has drowned and begins to administer artificial respiration, even though the man isn't even wet. He explains that he must go by the book even though he caught and slugged the man before he jumped in.

So on it went, "The Madwoman of Chaillot" proved to be a hilarious comedy. The Junior Class did a wonderful job of presenting it under the direction of Miss Coon. It was one of the most talked about plays presented on the stage of Yuma Union High School. Our heartiest congratulations to the Junior Class for a job very well done.

Matthew - Knowing you this year has been quite an experience. I hope you have all the good luck possible in the future. You're very sweet so be good & have fun.

"KIND LADY"

The Cast

Rehearsal, and more rehearsal, would the night ever come? February 3 and 4 marked the nights of performance so eagerly awaited by those in the Drama Club Play. A performance which was most commendable to all participants. The Drama Club Play was directed by Mr. William Brennan, while the student directors were Joyce White and Mildred Bowman. Its title was "Kind Lady," the story of a kind lady whose friendliness is extended to a criminal, who makes her captive in her own home. Our hats off to the Drama Club for a memorable production.

"Say man! What peppy cheerleaders!" YUHS was lucky to have eight of the peppiest girls in school to lead the entire student body in backing the athletic teams to victories both in Yuma and out-of-town games. Many hours of practicing were put into perfection of the yells. Miss Reed, the cheerleading sponsor spent lots of time helping and coaching these girls.

"Wasn't that a darling routine?" You could hear this quite often after these girls put their best foot forward by entertaining students during many half-times. Lots of work and fun were put into serious and novelty dance routines by the songleaders this year. This is a group of gals who will be remembered long after they leave Crim Hill because of the traditional routines they have left behind them.

"We are the Criminals, the mighty, mighty Criminals." This was repeated throughout the year by the YUHS student body. Coach Rosengarden has much to be proud of this year, in his mighty Criminal football team.

With the extremely important help of line-coach Thomas and back-coach Soergel, Rosengarten put out the best team in the state.

Football is a rugged sport and each boy did his part to make the team. Lots of hard practice went into making the team work like a clock, but ask any of them, and they will agree that it is worth it to be STATE CHAMPIONS!

JUNIOR VARSITY

The Junior Varsity squad did a fine job this year. Guided by the experience of Coach Wooten and assisted by Coach Salerno. There are a lot of potentially good members of this team that will move up to the varsity next year.

Coach Norman Wooten

The stars of tomorrow are now the freshmen at YUHS. With the split high schools, not as many freshmen were out for football this year. The ones that were, did a fine job in representing the Frosh as well as the whole YUHS campus. Coach Province did a fine job with the boys.

-TRACK-

The track team this year is an exceptionally large one, and with only 3 returning lettermen. But, they came out with a pretty good season. The schedule this year was a rugged one, but Coach Jack BeDillon, turned on the hard practice, and doing so made this work to the team's great advantage.

Under the fine leadership of Coach Pat Patterson, the 1959-60 wrestling team has done a very fine and effective job. This is only the sixth year for wrestling here at YUHS, and only the second year for Coach Patterson, who has turned out a splendid record. All of the boys have done extremely well and we hope to have some more state champions this year, as the Wrestling Tournament will be held in Yuma for the second straight time.

It's a truly fine experience for me to try and get even with you for the very nice things you have placed in my annual in the last few years. How lucky you've been to have me in a class every year for four years - maybe we can arrange it the same way in college for I know you'll just never make it through this encouragement. But my encouragement in fighting off the weights for with all I mean, encouragement in lifting weights for deal, you see, I've been lifting weights scheduled towards girls. You see, and besides that I'm trying to live up to my looks - So you see (ha) and I've layed off drinking all beverages - now I'm dying of thirst - oh will you each have water and drinks it too - Remember alum, es, est? Boys I thought that would never sands through, then we shared the experience of dissecting frogs and smelling formaldehyde (2) - now do $y < 2x+1$ ect. seriously - To years I wish the best of everything - Thanks for all the fun wise lord - Donald

Matthew —
Boy, aren't you relieved you made it. Sincerely though May I congratulate you on your success in high school. No need to worry about next year, your talent and good sense of humor will be your key -
From Mr. Pagano's geometry to Mr. Cowell's English class it has been nice knowing you.

(Book title)

On May 26, 1960, 400 Seniors bid YUHS good-bye after four glorious years of fun and hard work. Their freshman year found them timid and lost during their first few weeks of school. Finally when they walked down the halls of YUHS as Seniors they were no longer timid, they were proud members of the class of 1960. The Senior Class Play "Our Town" was a great success and everyone worked hard on it. As the Seniors of 1960 walked off Doan Field with their diplomas in their hand, they remembered all of the fun they had in their four years. There will always be a place in their hearts for YUHS and the words of the Alma Mater echoing in the background, "High above the Colorado, raised against the sky, proudly stands our Alma Mater, as the years go by."

JUNIORS

Bursting with spirit and overflowing with enthusiasm, this year's Junior Class was the largest class to ever hold forth at Criminal Hill.

Under the capable leadership of their sponsors and officers they presented their play, "The Madwoman of Chaillot," and sponsored the Junior-Senior Prom.

We wish the Juniors luck next year as they step up to be the last combined high school class in the Yuma Area.

Sponsors this year for the Class were Miss Coon and Mr. Callaway. Their officers were:

President ..... Alex Urtuzuastequi

Vice President ..... Jerry Johnson

Secretary ..... Linda Beck

Treasurer ..... Jamie Thomas

THE FOREIGN EXCHANGE PROGRAM

It is the purpose of the American Field Service Americans Abroad to increase understanding and friendship among the peoples of the world, by giving American teenagers the opportunity to live with families in a foreign land. This purpose is carried out in the two programs which make up the AFS Americans Abroad—the Summer Program and the School Program.

Under the AFS Summer Program, American teenagers represent their schools, communities and the United States while living with foreign families for 6 to 7 weeks. In becoming the "son" or "daughter" of these families, they share in their daily life and usual summer activities, plus also having the opportunity of teaching their foreign family and friends about the United States, and in so doing build a real understanding between the peoples of the world. The School Program is essentially the same as the Summer Program. However, in addition to sharing the daily life of their foreign families, these students have the opportunity of entering into the school life of their host countries. The school program lasts approximately five months.**

This represents a great opportunity to those who have a sincere interest in going to a foreign country and representing not only his school, but his country also. Many of our own students have found it to be a most rewarding experience. Our school should be very proud of its opportunity to participate in such a program.

Matthew -
It's been an honor to know the top-student of Y.U.H.S, and I admire you for your scholastic record. Good luck next year Matthew. Glad to have been your friend

Jan
-'60-

I am very glad that I have this chance to thank all of you, both teachers and students, for what you have done for me during the school year. It has been a wonderful experience. I have learned your way of living and to speak your language, I certainly have profited from my stay in all ways. It is my hope also, that at least some of you have profited from having me attend your school this year.

Thank you very much,

Jan Andersen

MY TRIP TO ITALY

by

Mike Mains

"This year as a Foreign Exchange Student I represented Yuma and the United States in Italy.

When Laura Leigh Finch was chosen to go to Denmark I dismissed the thoughts of participating in the Exchange program as the plan had been to send one; so when the American Field Service wired me to be in New York ready to sail for Italy in ten days, it came as a complete surprise.

Those were certainly hectic days, trying to get the necessary shots, vaccinations, passport, clothing, and learning as much about the customs and language as possible in the short time allowed. And I didn't find out who my family was or where in Italy they lived until I reached New York.

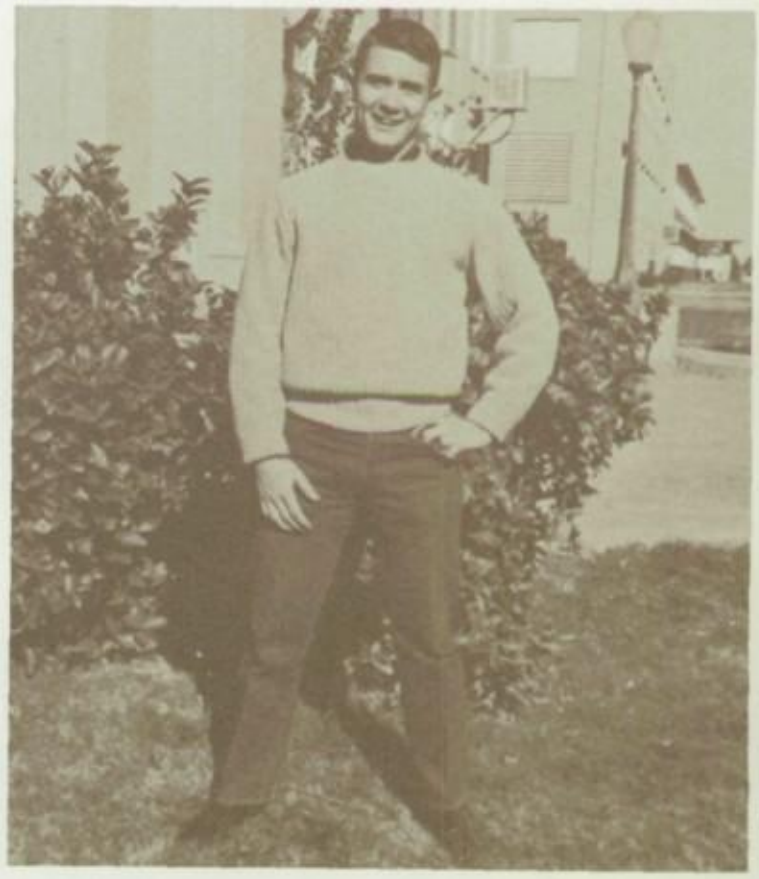
"June 17th we flew by chartered plane carrying 97 students from Los Angeles to New York; there we were briefed and the same day boarded a Holland American ship named Zuiderkruis. We had ten days at sea, with about 750 other Exchange students going to various parts of Europe.

"We landed in Rotterdam, Holland, and traveled by train through Europe to Italy. My family was the Domineco Marcolongos', consisting of Mother, Father, and two sons, Alfredo 16, and Inganizo 24. They were a wonderful family and lived in Attessa, a community of 10,000 population located approximately 250 miles east of Rome, near the Adriatic Sea.

"My summer was the most quiet and relaxed I have ever spent, life moves at a slower pace in Italy. Eating starchy foods and having little exercise I gained 12 pounds, as I lived the life of a typical Italian boy in a provincial community. I learned a great deal from this experience . . . and feel that they learned new things about the United States from me. For one thing I disillusioned the small boys on the 'Cowboy and Indian' situation in Arizona.

"Wrapping up the summer was a 10 day tour of southern Italy with all the Exchange students in Italy. We visited Pompei, Naples, Sorrento, and ended up in Rome having an audience with the Pope and the President of Italy.

"On September 3, we flew home via Shannon, Ireland, and hurried back to school, bringing an end to the most exciting summer of my life."



Matthew
I have never known anyone like you. I have a way of all your own. Your personality would never show that you are as smart as you are also.
Keep your big smile and we'll see you at the Dof A

MY TRIP TO DENMARK

by

Laura Leigh Finch

"The people in Denmark were most friendly and they especially were to me since I was a foreigner. They were always asking me questions about what they thought it was like in the U.S. For instance they asked me if all Americans were rich. Quite a few people have cars but only the rich people can afford American cars. Another time a lady asked me if my mother cooked dinner for my father. They also wanted to know if there were many juvenile delinquents here or at least as many as they heard about.

"If a person would like to gain weight, I recommend going to Denmark or any where in Europe for that matter. I was lucky and only gained 7 pounds but one of my friends gained 32. (Her family must have had at least six meals a day.)

"Copenhagen, the capital, is a very exciting place to go if you're in Denmark. Tivoli Gardens, a super amusement park, the Little Mermaid statue, and the Tuborg brewery are good things to see. When we were there, we were taken on a guided tour of the beer brewery and when it was over were given samples of their products. They also manufacture soft drinks.

"You say you're going to Denmark? Take me along—I'm always willing to go back."

Laura Leigh Finch.

Matthew—
I've never
seen anyone with
a sense of humor like
yours - Remember when
you used to flush so badly
every when a girl said hello
to you. We used to do it just
to make you blush. I know
you're not like that anymore are
you?! Congratulations and keep
Valedictorian - you really deserve
the honor. Best of luck in college and
later life - Sincerely,
Laura Leigh

SOPHOMORES

Sophomores, the second year men of Yuma Union High School, were considerably weakened in number, but not in spirit by the formation of "that other school down in the valley." At the beginning of the year, the Freshman Handshake Dance, to welcome the class of 1963, was sponsored by the Sophomores. It was a smashing big success. Eagerly forging onward, the Sophomores look forward to their Junior year and the title of upperclassmen which, we are sure they will be much deserving.

You Rat, Scrounge,
Raunchy individual!
You raised ~~six~~
Possibilities of flunking!
(Ha, Ha). No. Seriously,
You are one of the
friendliest people that
I have ever known. We
really had fun in Physics
This year, huh? Anyway,
Lots of luck (Good, of course)
in the future. Have a lot
of fun, and may God bless
and keep you. -Bob Jenson

ACKNOWLEDGEMENTS

I am truly grateful for those who contributed their ideas and their time in order to produce a good 1960 yearbook. The staff this year was large which added variety and character to this year's El Saguaro.

Mr. Clarkin, even with his broken leg, was always available to advise me and help me over the rough spots, as in editing a yearbook there are many.

Barbara Bess and *Betty Prather,* managing and associate editor respectively, were a steading influence because of their experience. Barbara did the sports. Betty worked with *Wayne Shannon* and *Victor Torres* to produce the art work.

Joyce White was in charge of the money and business end of the production. She and *Shirley Spelce* always had things ship-shape in their own quiet way.

Again this year we had super advertising salesmen with *Linda Barnette* carrying the major load. Jolly *Sis Golden* worked both as an ad salesman and as a speedy typist.

Assistant Editor *Jessica Reiss* did her work handily with much efficiency. *Bertha Arias* was a great worker and she did all she was asked to do and much more. Even with all the headaches which picture detail brings, *Elizabeth Arriola* skillfully scheduled picture after picture very successfully.

The Senior Members all did an outstanding job as they toiled many hours to come up with their completed sections. *Ann Harrell, Sharon Logan, Fran McCollum,* and *Judy Vaughn* were those ideal workers and associates.

Pat Arnold, Mary Chilton, Evelyn Frauenfelder, Virginia Garvin, Darlene Ridenour, Rosemary Barnes, and *Virginia Shipp* were new to the staff this year. I would have though they were "old pros," however, to see them working on the annual.

Buddy Bogle was the staff photographer who spent much of his valuable time taking pictures for me.

Last but not least on the staff was our only sophomore, *Alicia Mumford.* Alicia spent many hours thinking of new ideas and intersting layouts for the El Saguaro. I know Alicia will make a dedicated editor in a few years.

I would like to thank *Mr. Earl UpDike* of UpDike Studios, who took a majority of our pictures, the Yuma Daily Sun for allowing us to use their pictures, they were life-savers, and *Mr. Bill Messenger* for our fine ad pictures.

I would also like to express my thanks to *Mr. Mel Wakefield,* of Newsfoto Publishing Co., for his time and valuable assistance, to the School Administration, the Faculty, and the School Personnel, and to all those many people I might have missed.

I enjoyed being editor this year; it was a grand and long-lasting experience.

Sincerely,

Mark Arnold

Mathews,
I have really enjoyed knowing you (the little I do). maybe someday we can get better acquainted. Okay! Mathew you are a very sweet guy and have a happy smile. I'd like to wish you luck and happiness plus success in all you attempt. Hope to see you around— maybe this summer. It's too bad that we never had any classes together this year.

Love and luck,
MaryEllen Amaresca

Dear Mr. Brown,
I have enjoyed knowing you this year. I'll always remember you for your "Chemistry or Bust" attitude. I wish you the best of luck in future years to come. Keep up your good work in Chemistry or anything else you decide to go into. I'm sure you'll be successful in anything you attempt.
Good luck.
Love ya,
Matthew

Dear Mathew,

you are the best Auntie Ann a girl,
a girl (JUST TO MAKE SURE) ever had. I have enjoyed nothing
so much as sitting by you in class.
You are indeed a gem. I shall always
remember you as the wonderful, crazy,
mixed up guy, who got me in more
trouble for talking in class than anybody
in the world — ever! Mathew with honest
sincereity I hope to see you in collage and
perhaps sit next to you in a class. It has
been so much fun and I'll never forget
it. It is hard for me to say somethings
to express appriciation for the many fine
times, helping outs, and getting right answers
off the board when I didn't have my glasses.
What will I ever do without you next year!
Well I guess I have scribbled in your
annual enough, but it will never be enough
to say ----- Thanks and Good Luck to the
finest.

Love
Brenda Wood
